The Parent Pledge for a Drug/Alcohol Safe Environment

The Parent Pledge for a Drug/Alcohol Safe Environment is designed to encourage communication among parents & their children. By agreeing to participate in this program, parents & students accept the responsibility for a drug & alcohol free environment. Participants agree:

1. Not to permit un-chaperoned parties in their home or on their property involving our students
2. Not to permit alcoholic beverages or illegal substances to be served or consumed by our students at any party or other social activity for which parents are responsible.
3. If our students are attending any party or social activity in which parents are responsible, and students appear to be under the influence of alcohol or other drugs, they will not allow the student to leave without contacting that student's parents on order to arrange safe transportation home.
4. To allow CHSPC to indicate parent participation by placing an asterisk (*) by their name in the forthcoming directory.
