APPLICATION INSTRUCTIONS

1. ***When can I apply?***

You may apply for membership in CSF beginning with the second semester of your 9th grade and continuing through senior year.

2. ***How do I become a member?***

APPLICATIONS ARE DUE NO LATER THAN 8AM ON THE THIRD WEDNESDAY OF THE SEMESTER!

Membership is for one semester and is based on your grades from the previous semester. To become a member, you must submit an application for each semester you are eligible. Reminders of the deadline for returning the applications appear in the daily bulletin.

Application forms may be obtained from Mrs. Mitchell (K-4), or your math teacher. Your completed application must be **returned to Mrs. Mitchell (K-4)** along with a copy of the previous semester's report card (transcript) and $1.00.

3. ***How do I fill out the application?***

A. List the grades from all courses you took last semester; **omit none**. If a course is not listed on the form, write it in.

B. Compute your points from each list according to this scale:

A (honors or AP) = 4 points, A = 3 points, B (honors or AP) = 2 points, B = 1 point, C = 0

Any grade of D or F automatically disqualifies membership for the semester. No CSF points will be given for P.E., courses taken in lieu of P.E., subjects repeated to improve a grade, courses involving service, clerking, and office/teaching assisting, and courses taken on a pass/fail basis. ***There is a max. of 2 extra pts. for honors or AP***.

C. You must earn a ***minimum of 10 points*** from last semester's grades.
1. The first ***4 points*** must be from **List I** (unless you are a senior applying for membership in January or May).
2. The first ***7 points*** (including the 4 points described above) must be from **Lists I or II**. *(Second Semester Seniors Only may use 3 courses from List II)*
3. The remaining points may come from any Lists (I, II, or III).

D. You must use **no more than 5 courses** to qualify.

E. College courses will count the same as high school courses.

F. Summer school courses may **not** be counted.

4. ***What are the benefits of being a CSF member?***

CSF is both a service and an honor society. Outstanding students are acknowledged for their achievements. Life members (minimum 4 semesters of their **sophomore, junior and senior years**) are given special recognition at graduation with a gold seal on their diplomas and wear a gold cord on their gown at graduation. 100% members (6 semesters of their **sophomore, junior and senior years**) wear a gold satin stole at graduation. Special scholarships are set aside at colleges around the country for Life/100% Members (also called Sealbearers).
