Age: 7 yrs. – 14 yrs.

Time: 12:30PM – 3PM

Cost: \$45

If it rains, we will have the camp in Francis Willard's gym.

Dear Parents/Guardians,

The camp will focus on the fundamentals of softball at all age levels. The girls will be split into ability levels during the camp to enhance their level at which they play. The camp will also focus on the needs of the individual players as well as overall fundamentals at the different age levels. Lady Rocks Head Coach, Chris Allison, will be heavily involved in all the camp fundamentals as well as High School Coaches, current and past Lady Rocks. The fundamentals will be the same ones that the high school girls will be practicing everyday during the spring season. Come have some fun and learn how to play the great game of softball.

Campers need to bring: glove, cleats/shoes, bat (if they have one), batting helmet and something to drink. The high school will have some extra bats and helmets that campers may borrow during the camp.

Please contact Chris Allison at 309-781-5345, if you have any questions.
