b. Charges Against a Teacher

Board Attorney, Tom Minor inquired of the board in their receiving of the Charging Letter in the board packets, which is the first step. He preceded to present the process of the second step in which the law requires for the board to review and decide or not if Dr. King has met the probable cause of moving forward to dismiss this teacher. It's not the board's decision on tonight whether or not to dismiss this teacher, but to certify these charges. Attorney Minor addressed varied questions and concerns of the board members.

Motioned by Wendell Wainwright to certify the charges and move forward with the process.
