Previous minutes were nominated by Mr. Robinson for approval and 2nd by Ms. Glover-Jenkins

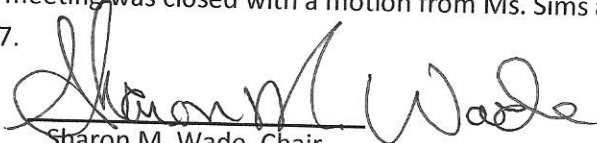

Mr. Robinson spoke about the Health Fair plans.

- We need to find out more about the Jr ROTC 5k Run (timing, can we piggy back with them and have the two events on the same day)
- More health concerns were discussed along with contact info given to Mr. Robinson. He mentioned several organizations he has called and left messages who have not responded back. SIC members spoke up with alternate options for communication and some volunteered to make contact.

During the Open Comments section we revisited our hopes to improve the LMHS brand. We also discussed trying to get more participation from parents on the SIC. Also, to show our students what they can achieve.

- In years passed the Senior Class gave a parting gift to the school. Ask Ashley Addison her thoughts on the Senior class gifting a Hall of Fame for LMHS graduates who have gone on to have success in their lives. Such as Mike Williams and on local fronts as well (i.e.) careers as Police or Deputy Sheriffs, Nurses, Doctors, teachers, etc. We could hang pictures of the successful graduates with the caption "You Can Get There From Here...".
- Create an SIC Brochure to hand out at school functions (i.e.) Basketball games, Girls' Summit in February, etc. Sharon M. Wade said there are templates on the State SIC website she will look into adapting.
- SIC t-shirts or polo shirts to increase our visibility and put a face to the council. Make it a student competition to design the shirt.
- Ask Mrs. Singh about creating a section on our website for "Shout Outs from the Swamp" to put student, team, club, teacher, staff accomplishments and or good deeds. She could enlist the help of the yearbook staff or a similar group of students to write the text for each shout out.

The meeting was closed with a motion from Ms. Sims and a 2nd from Ms. Taste. The next meeting will be February 9, 2017.
