

PARENTAL INVOLVEMENT IN TITLE I PROGRAMS

The director for Title I programs shall oversee the adoption and implementation of a system-wide policy encouraging parent involvement in Title I. The director shall form a parent/staff committee to develop, adopt, and revise policy. The committee shall seek input and approval from other parents in developing the policy. After seeking such input and approval, the committee shall adopt a policy by a majority vote. The policy shall be reviewed and revised as necessary to ensure that it involves parents effectively and complies with law and regulation. The policy shall include provisions for parental involvement at the school level.
