

PTO Hosted Exhibition Night

Thursday, March 15th

Patrick Copeland Elementary

Exhibition nights allow students to display their work, explain their learning process, and practice public speaking through parents asking questions. We know many of you have multiple children or a child with multiple presentations. Below is a schedule to allow you to move freely and engage with all of our students' presentations.

Presenters:

**1st (Weston & Seyler), 2nd, 3rd, 4th 5th, Ms. Schnipper's
Enrichment, and Resource Classes**

4:45pm – Students arrive to prepare their presentations & Parents preview a slideshow in the gymnasium

5:00pm – 1st Session of presentations

5:30pm – Grade level students presenting in Resource transition to Resource

5:45pm – 2nd Session of presentations and Resource exhibits

6:15pm – Concludes our Exhibition!

Students will be prepared to present and answer questions!

Here are a few questions you may want to ask:

- What was a difference between last project for exhibition and this project?
 - Was there anything you wish you had for this project but didn't?
- What is the one thing you learned from working on this project that you will never forget?

Be involved! Ask our students any questions you have regarding their projects!

Cardinal Families! We value your feedback from tonight's Exhibition! Please take a few minutes and write down some things you felt were successful and any suggestions you may have for our PTO or Staff. Include your contact information if you would like to speak further or volunteer for our next Exhibition or Event.
