DR Moorland

- An Update on Banquets: Please make sure that all dates and locations for your team banquet is told/approved by DR. Since we have several things going on with the high school, they want to make sure your date doesn't conflict with another event. One admin from the school will be in attendance of your team banquet. Should you use the school for your banquet, be aware that if something comes up last minute (ex. Testing or other things) it is quite possible that your event could get bumped. This doesn't happen often, however, it is a possibility.
- Fall sports should already be looking at a date please let DR know your date, again please let him know as possible.
- Following proper guidelines: If your banquet location or the event itself has a dress code, please make sure everyone including the administration is aware. This way it will prevent the guests or admin from coming in the wrong attire.
- Verify we are all compliant with the protocol: If you are charging for your banquet or any other events, make sure if given cash, it's ran through Titan Athletic Boosters. Everything financially should be documented correctly with your treasurer.

DR. Bergmann

- With regards to Budgets and Transportation: Where you see Hemet on your budget line, that is money that shouldn't have been taken from your account. They caught their mistake and put it back.
- Also thoughts on Sports Night perhaps in March or April (to give more exposure to the incoming Freshman on our sports programs): We are in the process of trying to figure out how this can be done and not violate CIF rules.
- What to do In the event of complaints regarding the Booster Club Procedures. We are asking that you work it out as a group. We understand that each team has several different personalities. So with this being said, should problems arise that you as a booster board you can not work out, we ask you to come to the TAB Executive Board. Which would be:
 - Birgit Castleman, President
 - Patty Castreje, Treasure
 - Yvette Nikoui-Smith
 - Eric Bergmann, Administration
 - DR Moreland, Administration

The same procedure applies if problems arise with a parent on your team. If you have an issue with the coach. The proper procedure is for the child to go to his/her coach. This would be the same if upset about playing time. This is a coach's decision, not Dr. Bergmann, DR Moreland or the booster boards decision. The child should go to his/her coach and discuss. We as parents are asked to allow your child to handle his/her concern.

Birgit Castleman

- We need to Formalize our Leadership process for TAB: WE would like input and ideas from the group: The Executive TAB board with like anyone who has an ideas or information to make the TAB board a better group, Birgit, Patty, Yvette, Dr. Bergmann and DR welcome any and all help.
- Such as elections for booster leadership for each sport etc.: At our next meeting we will finalize Booster position procedures.

**Our next TAB meeting will be held on
October 12, 2016
7 p.m.**
