When requested, the prospectus shall be reproduced and made available.

EXCUSAL FROM HEALTH, FAMILY LIFE, AND SEX EDUCATION INSTRUCTION

EC §231.5, EC §51930-51939 & BVUSD Board Policy 6142.1

The district is required to give parent/guardians written notification regarding sexual education, HIV/AIDS prevention, and related assessments for students in grades 7-12. A parent/guardian of a pupil has the right to excuse their child from all or part of comprehensive sexual health education, HIV/AIDS prevention education, and assessments related to that education. Written and audiovisual educational materials used for sexual health education and HIV/AIDS prevention education are available for inspection.

Parents/guardians will receive notice prior to instruction, assessments, if district staff will provide instruction or, in the case of an outside speaker, the date of the instruction and name of the organization or affiliation of each guest speaker, how and where to inspect written and audiovisual materials to be used, and how to request a copy of EC §51930 through EC §51939 concerning sexual health and HIV/AIDS prevention education.

Whenever any part of the instruction of health, family life education, or sex education conflicts with the religious training and beliefs or personal moral convictions of the parent/guardian of any student, the student shall be excused from such training upon written request of the parent/guardian.

The District may administer to students in grades 7 through 12 anonymous, voluntary, and confidential research and evaluation instruments, including tests and surveys, containing age-appropriate questions about their attitudes or practices relating to sex. Prior to administering such a research and evaluation instrument, parents/guardians shall be provided written notice of the administration. Parents/guardians shall be given opportunity to review the research instrument and to request in writing that their child not participate.

BVUSD Board Policy 5145.8 & Administrative Regulation 5145.8

Any pupil with a moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof, shall notify his/her teacher regarding this objection. If a student chooses to refrain from participation in an education project involving the harmful or destructive use of animals, and if the teacher believes that an adequate alternative education project is possible, the teacher may work with a student to develop and agree upon an alternate education project for the purpose of providing the student an alternate avenue for obtaining the knowledge, information, or experience required by the course of study in question.

Pupils choosing an alternative education project shall pass all examinations of the respective course of study in order to receive credit for that course of study. However, if tests require the harmful or destructive use of animals, a pupil may, similarly, seek alternative tests pursuant to this chapter. A pupil's objection to participating in an educational project pursuant to this section shall be substantiated by a note from his/her parent/guardian.

Each teacher teaching a course that utilizes live or dead animals or animal parts shall inform their students of their rights pursuant to EC §32255.

STUDENTS WITH DISABILITIES

EC §56301, USC §1415(d)(2) of Title 20, CFR §300.504(c) of Title 34 & §504 Rehabilitation Act

Section 504 Accommodations for Students

The Rehabilitation Act of 1973, commonly referred to as "Section 504," is a nondiscrimination statute enacted by the United States Congress. The purpose of the Act is to prohibit discrimination and to assure that disabled students have educational opportunities and benefits equal to those provided to non-disabled students.

An eligible student under Section 504 is a student who a) has a physical or mental impairment which substantially limits a major life activity, b) has a record of such an impairment, or c) is regarded as having such an impairment. The regulations define "major life activities" as functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

It is the purpose of this notice to identify the rights ensured by Section 504. If parents have questions regarding parents' rights under IDEA (Individuals with Disabilities Education Act), they should contact the District office at the Bear Valley Unified School District.

The enabling regulations for Section 504 as identified in 34 CFR Part 104 provide parents and/or students with the following rights:

1. You have the right to be informed by the school district of your rights under Section 504. (The purpose of this notice is to advise you of those rights.) 34 CFR 104.32
2. Your child has the right to a free appropriate public education, if he or she is a qualified handicapped person, regardless of the nature or severity of his or her handicap. 34 CFR 104.33
3. Your child has the right to an appropriate education, which is the provision of regular or special education and related services that are designed to meet the individual educational needs of handicapped persons as adequately as the needs of non-handicapped persons are met, and which are based upon the adherence to procedures that satisfy the requirement of the regulations. 34 CFR 104.33
4. Your child has the right to a free education, which is the provision of educational and related services without cost to the handicapped person or to his or her parents or guardian, except for those fees that are imposed on non-handicapped persons or their parents or guardian. Insurers and similar third parties are not relieved from an otherwise valid obligation to provide or pay for services provided to a disabled student. 34 CFR 104.33
5. Your child has the right to placement in the least restrictive environment. 34 CFR 104.34
6. Your child has the right to facilities, services and activities that are comparable to those provided for non-disabled students. 34 CFR 104.34

7. Your child has a right to an evaluation prior to an initial placement of the person in a regular or special education program and any subsequent significant change in placement. 34 CFR 104.35
8. Testing and other evaluation procedures must meet the following requirements:
 - a. They must be validated for the specific purpose for which they are used and are administered by trained personnel in conformance with the instructions provided by their producer;
 - b. Include those tailored to assess specific areas of educational need and not merely those which are designed to provide a single general intelligence quotient; and
 - c. Are selected and administered so as best to ensure that, when a test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).34 CFR 104.35
9. Placement decisions shall (1) draw upon information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical condition, social or cultural background, and adaptive behavior, (2) establish procedures to ensure that information obtained from all such sources is documented and carefully considered, (3) ensure that the placement decision is made by a group of persons, including persons knowledgeable about the child, the meaning of the evaluation data, and the placement options, and (4) ensure that the placement decision is made in conformity with 104.34, regarding, among other things, placement in the least restrictive environment and the provision of comparable facilities. 34CFR 104.35
10. If eligible under Section 504, your child has the right to periodic reevaluations. 34 CFR 104.35

Section 504 Parent/Student Rights

You have the right to notice prior to any action by the district in regard to the identification, evaluation, or placement of your child. 34 CFR 104.36

You have the right to an impartial hearing with respect to the district's actions regarding your child's identification, evaluation or educational placement, with opportunity for parental participation in the hearing and representation by counsel. 34 CFR 104.36

If you wish to challenge the actions of the district's Section 504 Committee in regard to your child's identification, evaluation, or educational placement, you should file a written Notice of Appeal with the, Executive Director of Student Services/Personnel, 42271 Moonridge Road, Big Bear Lake, California, 92315, (909) 866-4631 Ext. 1235 within 30 calendar days from the time you received written notice of the Section 504 Committee's action(s). A hearing will be scheduled before an impartial hearing officer and you will be notified in writing of the date, time and place for the hearing.

If you disagree with the decision of the impartial hearing officer, you have the right to a review of that decision by a court of competent jurisdiction. 34 CFR 104.36

CAL GRANT PROGRAM

EC §69432.9 & BVUSD Administrative Regulation 5125

A Cal Grant is money for college that does not have to be paid back. To qualify, a student must meet the eligibility and financial requirements as well as any minimum grade point average (GPA) requirements. Cal Grants can be used at any University of California, California State University or California Community College. Some independent and career colleges or technical schools in California also take Cal Grants.

In order to assist students in applying for financial aid, all students in grade 12 are automatically considered a Cal Grant applicant and each grade 12 student's GPA will be submitted to the California Student Aid Commission (CASC) electronically by a school or school district official. A student, or the parent/guardian of a student under 18 years of age, may complete a form to indicate that he/she does not wish for the school to electronically send CASC

the student's GPA. Until a student turns 18 years of age, only the parent/guardian may opt out the student. Once a student turns 18 years of age, only the student may opt himself/herself out, and can opt in if the parent/guardian had previously decided to opt out the student.

CALIFORNIA HIGH SCHOOL PROFICIENCY EXAMINATION

CCR Title 5 §11523, EC §48412, BVUSD Board Policy 6146.2 & BVUSD Administrative Regulation 6146.2

The California High School Proficiency Exam (CHSPE) is a voluntary test that assesses proficiency in basic reading, writing, and mathematics skills taught in public schools. Eligible pupils who pass the CHSPE are awarded a Certificate of Proficiency by the State Board of Education. A pupil who receives a Certificate of Proficiency may, with verified approval from the parent or legal guardian, leave high school early. The Certificate of Proficiency, however, is not equivalent to completing all coursework required for regular graduation from high school. For more information, including administration dates and registration deadlines, visit the following website: <http://www.chspe.net/>.

CAREER COUNSELING AND COURSE SELECTION

EC §221.5, BVUSD Board Policy 6164.2 & Administrative Regulation 6164.2

Counseling will commence at the beginning of the seventh grade. Parents are encouraged to participate in the counseling sessions and decisions. For more information, parents/guardians should contact their child's school. Students have the right to meet with a school counselor to obtain help on choosing courses at their school that will meet college admission requirements or to enroll in career technical education courses, or both. Students who wish to make an appointment with their counselor/career counselor (based on site availability) may do so through their school's office or counseling department.

CAREER TECHNICAL EDUCATION

EC §51229, EC §48980(m), BVUSD Board Policy 6178, 6178.2 & BVUSD Administrative Regulation 6178

The California Department of Education defines "career technical education" as a program of study that involves a multiyear sequence of courses that integrates core academic knowledge with technical and occupational knowledge to provide students with a pathway to postsecondary education and careers. Career technical education may include agricultural education, apprenticeship opportunities, business and marketing coursework, health careers education, home economics, industrial and technology education, regional occupational programs, student organizations, technical preparation coursework, and work experience. More information related to the state's career technical education program can be found at www.cde.gov/ci/ct. CHRONIC ABSENTEEISM

EC §60901, BVUSD Board Policy 5113.1 & Administrative Regulation 5113.1

A student becomes a "chronic absentee" as defined in California *Education Code (EC)* Section 60901(c)(1) when "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

You will receive a written notification alerting you when your student has missed 10% of the school day even if your student has excused absences/illness. Following the written notification, if additional day(s) are missed, a second notification will be mailed requesting that the parent/guardian of the student attend a meeting at the school with the Student Attendance Review Team (SART). The goal of the SART is to help both the parents/guardians and the student find solutions to the barriers that are preventing regular school attendance.

If absenteeism continues, the parent/guardian may be summoned to attend a Student Attendance Review Board (SARB) meeting held at the school district's office.

EXCUSED ABSENCES

- (a) Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:

 - (2) Due to quarantine under the direction of a county or city health officer.
 - (3) For the purpose of having medical, dental, optometrical, or chiropractic services rendered.

 - (6) Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent.
 - (7) For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of his or her religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the pupil's absence is requested in writing

by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the Governing Board.

(8) For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.

The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.
- (c) For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.
- (d) Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.

UNIFORM COMPLAINT PROCEDURES

EC §32289, CCR Title 5 §4622, BVUSD Board Policy 1312.3 & BVUSD Administrative Regulation 1312.3

The Board of Trustees recognizes that the district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The district shall investigate and seek to resolve any complaints alleging failure to comply with such laws and/or alleging unlawful discrimination, harassment, intimidation, or bullying in accordance with the uniform complaint procedures.

The district shall use the uniform complaint procedures to resolve any complaint alleging unlawful discrimination, harassment, intimidation, or bullying in district programs and activities based on actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Penal Code 422.55, or Government Code 11135, or based on association with a person or group with one or more of these actual or perceived characteristics.

The Board encourages the early, informal resolution of complaints at the site level whenever possible.

The Board acknowledges and respects every individual's right to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis.

The Board prohibits retaliation against any complainant in the complaint process. Participation shall not in any way affect the status, grades or work assignments of the complainant.

In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate mediation. The Superintendent or designee shall ensure that mediation results are consistent with state and federal laws and regulations. In investigating complaints, the confidentiality of the parties involved and the integrity of the process shall be protected. As appropriate for any complaint alleging discrimination, harassment, intimidation, or bullying, the Superintendent or designee may keep the identity of a complainant confidential to the extent that the investigation of the complaint is not obstructed.

EC §35186 & BVUSD Board Policy 1312.4

Every school must provide sufficient textbooks and instructional materials. Every student, including English learners, must have textbooks or instructional materials, or both, to use at home or after school. School facilities must be clean, safe and maintained in good repair. There should be no teacher vacancies or misassignments. If a school is found to have deficiencies in these areas, and the school does not take corrective action, then a Williams Uniform Complaint Form may be obtained at the school site. The individual responsible for processing complaints at the school district level is the Superintendent, who may be contacted at (909) 866-4631. Parents, guardians, pupils, teachers, or any member of the public may submit a complaint regarding these issues. However, it is highly encouraged that individuals express their concerns to the school principal before completing the complaint forms to allow the school to respond to these concerns.

School districts may enter into agreements for the interdistrict transfer of one or more pupils for a period of up to five years. The agreement must specify the terms and conditions for granting or denying transfers, and may contain standards of reapplication and specify the terms and conditions under which a permit may be revoked. Due to the transition to the new California Assessment of Student Performance and Progress system, the calculation of the 2014 Growth and Base and 2015 Growth APIs were suspended by the State Board of Education. With the absence of a 2015 API score, the California Department of Education (CDE) cannot produce a new Open Enrollment Act list. The last available list is based on the assessment results from the 2013 California Standards Tests which were developed under the prior state content standards. To apply, parents must directly contact the district office. To apply, parents must directly contact the district office. For the 2016-17 school year, Bear Valley Unified School District's Open Enrollment School is Big Bear Elementary. Parents of high school athletes should check on CIF sports eligibility rules before pursuing a transfer under this option. Transportation to any other school is the responsibility of the parent. School districts are allowed to adopt specific, written standards for acceptance and rejection of applications as long as students are selected through a random and unbiased process. Unless the school board waives the deadline, requests for transfers are to be submitted by January 1 of the prior school year.

SEXUAL HARASSMENT POLICY

EC §48980(g), BVUSD Board Policy 5145.7 & Administrative Regulations 5145.7

The Board of Trustees is committed to maintaining an educational environment that is free from harassment and discrimination. The board prohibits sexual harassment of students by other students, employees or other persons, at school or at school-sponsored or school-related activities. The board also prohibits retaliatory behavior or action against persons who complain, testify, assist or otherwise participate in the complaint process established pursuant to this policy and the administrative regulation.

Instruction/Information

The superintendent or designee shall ensure that all district students receive age-appropriate instruction and information on sexual harassment. Such instruction and information shall include:

- What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex.
- A clear message that students do not have to endure sexual harassment.
- Encouragement to report observed instances of sexual harassment, even where the victim of the harassment has not complained.
- Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made.

Complaint Process

Any student who feels that he/she is being or has been sexually harassed by a school employee, another student, or a non-employee on school grounds or at a school-related activity (e.g., a visiting athlete or coach) shall immediately contact his/her teacher or any other employee. An employee who receives such a complaint shall report it in accordance with administrative regulation.

The superintendent or designee shall ensure that any complaints regarding sexual harassment are immediately investigated in accordance with administrative regulation. When the superintendent or designee has determined that harassment has occurred, he/she shall take prompt, appropriate action to end the harassment and to address its effects on the victim.

Disciplinary Actions

Any student who engages in sexual harassment of anyone at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action. For students in grades 4 through 12, disciplinary action may include suspension and/or expulsion, provided that in imposing such discipline the entire circumstances of the incident(s) shall be taken into account.

Confidentiality and Record-Keeping

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action. (CCR Title 5 §4964)

The superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address and prevent repetitive harassing behavior in its schools.

Notifications

A copy of the district's sexual harassment policy and regulation shall:

- Be included in the notification that are sent to parents/guardians at the beginning of each school year (EC 48980; 5 CCR 4917).
- Be displayed in a prominent location in the main administrative building or other area where notices of district rules, regulations, procedures and standards of conduct are posted (EC 231.5).

UNIFORM & GROOMING POLICIES

EC §35183, EC §35183.5, BVUSD Board Policy 5132 & Administrative Regulation 5132

General

The Board of Trustees believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or a distraction which would interfere with the educational process. In cooperation with teachers, students and parents/guardians, the principal or designee shall establish school rules governing student dress and grooming which are consistent with law, Board of Trustees policy and administrative regulations. These school dress codes shall be regularly reviewed.

Gang Related Apparel

The principal, staff and parents/guardians at a school may establish a reasonable dress code that prohibits students from wearing gang-related apparel when there is evidence of a gang presence that disrupts or threatens to disrupt the school's activities. Such a dress code may be included as part of the school safety plan and must be presented to the Board for approval. The Board shall approve the plan upon determining that it is necessary to protect the health and safety of the school's students.

At individual schools that have a dress code prohibiting gang-related apparel at school or school activities, the principal, staff and parents/guardians participating in the development of the school safety plan shall define "gang-related apparel" and shall limit this definition to apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (EC 32282)

Because gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed at least once each semester and updated whenever related information is received.
