	Cal State University (CSU)	University of California (UC)
TEST SCORES — ACT/SAT		
	ACT or SAT is required*	
	<p>CSU combines best critical reading and math scores from multiple sittings of SAT; may combine best subscores from multiple ACT tests to calculate a best composite.</p> <p>*Test required for CSU applicants who have earned an "a-g" GPA of less than 3.0.</p>	<p>UC uses the highest combined score from a single sitting of the ACT Assessment plus Writing or the SAT Reasoning Test. Two SAT Subject Tests in two different subject areas are also required.</p>
VALIDATION OF SUBJECT REQUIREMENTS BY OTHER COURSES		
Mathematics	<p>A grade of C or better in the second semester of a yearlong algebra course validates a D in the first semester. A grade of C or better in Algebra II validates Algebra I. A grade of C or better in trigonometry, pre-calculus or statistics validates the entire high school college preparatory requirement. Beginning with fall 2007 applicants, a grade of C or better in statistics will validate only Algebra I and Algebra II, not geometry.</p>	
Language Other Than English (LOTE)	<p>A grade of C or better in a higher-level course validates a lower-level course. A higher-level LOTE course can validate the appropriate number of years based on the level. A college course can validate a high school LOTE course. The level of validation depends on the college course prerequisite and description.</p>	
Chemistry	<p>A grade of C or better in the second semester of chemistry validates a D in the first semester and fulfills a year of the lab science requirement. (NOTE: UC will discontinue its chemistry validation policy beginning with fall 2007 applicants.)</p>	
VALIDATION OF D GRADES IN REQUIRED COURSES		
	<p>Required "a-g" courses must be completed with a grade of C or better. Courses in which grades of D are earned must be repeated, EXCEPT in the areas of math, chemistry and language other than English, where grades of D can be validated by successful completion of higher-level coursework.</p>	
VALIDATION OF SUBJECT REQUIREMENTS BY TEST SCORES		
	<p>Subject omissions may be satisfied with appropriate test scores on SAT Subject Tests, Advanced Placement exams, and designated International Baccalaureate exams. A list of acceptable tests and scores is available on the UC and CSU websites.</p>	
REPEATED COURSES		
	<p>The best grade will be used in the GPA calculation.</p>	
		<p>A course not completed with a grade of C or better can be repeated only once.</p>
