

# Toyota Park

Shepard's Athletic Booster Club's is in its 4<sup>th</sup> year partnering with Toyota Park. Toyota Park is the home to Chicago Fire, Chicago Red Stars and other events throughout the year. Our contract is specifically with Spectra, which provides food and beverage service for the park. We work solely on commissions and currently make 14% profit from our concession stand sales of that game/event. There is no guarantee on how much you will make on a shift.

We have designated concessions areas and currently, Shepard has 2 stands: 1 stand requires a minimum of 12 people and the other stand a minimum of 6. We can accept tips, but we cannot advertise a tip jar. You must be at least 18 years to work in the concession stands or non-alcoholic portables.

It is very important for you to arrive on time to review what is needed before starting. We are required to do our own inventory before and after each game, as well as clean up. Incorrect inventory counts, affect our profits. **ABSOLUTELY NO ALCOHOLIC DURING A SHIFT. You will be provided a drink cup for the fountain machines only.**

**Basset Certification - You must be at least 21 years old to work on a register, as you are considered a server, serving alcohol.** You are required to take the Basset test, to serve alcohol in Illinois and the certification is valid for 3 years. The website for this is: <https://www.illinoisbassetcertification.com> – select ON-PREMISES. You will need to pay the \$14.75 fee upfront and once we receive a copy (email) of your certification/receipt, Boosters will promptly reimburse you. *Please keep your login information somewhere since we cannot access this information for you.*

**Dress code: black pants, Shepard Booster Shirt (gray with black sleeves), gym shoes and minimal jewelry on hands. Long hair needs to be pulled back and in either a Shepard hat or in a Spectra hat. These hats are new and you will keep. If you do not have the Shepard shirt mentioned above, please contact Danielle at the number/email below.**
