

We are pleased to announce the return of Mālamapōki`i`s Kaiao early childhood education drop in program this school year. Kaiao offers preschool experiences for young learners between 3-5 years of age five days a week, Monday through Friday from 8:30 am – 10:30 am daily in the `Olu`olu Room of Hālau Ho`olako. Keiki and their parents engage in preschool learning activities to prepare them for future enrollment in Mālamapōki`i. Activities include circle time, learning simple Hawaiian words and phrases, chants, mele, hula and other hands-on activities. When construction is completed, Kaiao keiki will also have an opportunity to enjoy our brand new preschool outdoor classroom playground equipped with imagination stations to enhance Science, Technology, Engineering, Arts and Mathematics (STE(A)M) skills.

Classes are free and open to keiki and their families in the community. Classes begin Monday, August 8, 2016. Call Yoko Lindsey at 989-0854 for more information and to reserve a spot for your keiki. Come and join us. Bring your neighbors and friends.
