

Titan Athletic Booster Club
Minutes for
September 16, 2015

- I. Birgit Castleman called the meeting to order @ 7:12 pm. She asked that the minutes from our August 19, 2015 be approved. Emelyn Judge second the motion and the minutes were approved.
- II. Emelyn Judge has agreed to be the rep for our track team.
- III. It was stated that the cost of parties may not exceed \$15 per person attending, this is for food only.
- IV. Banners for "Family Sponsorship" are permitted and can stay up during that sports season. No commercial sponsorships are allowed unless approved by the school board. A&G has done banners for many of our sports/classes and are highly recommended by parents and DR Moreland.
- V. The snack bar by the basketball gym is for everyone to use. A facilities request form is to be filled out prior to use and submitted to Eve. We do not have any restrictions on what food you choose to sell.
- VI. In order to travel out of state or over night, you must submit your request 3 months prior to the scheduled event. The form must be filled out by the coach and submitted to Eve. From here the document will go to Mary and our school board. Once approved, travel arrangements are to be made through Titan Travel.
- VII. Field Trips only needs 10 days prior to the event itself. Again, the form must be filled out by the coach and turned into Eve. Same chain of command in getting approval as if going out of state or over night.
- VIII. Coach complaints should go as follows.
 - A. Student/players go to DR Moreland and Dr. Bergmann
 - B. If a parent must get involved, start with DR Moreland and Dr. Bergmann. DO NOT go to the district first.

- IX. Scholarships: Each booster club will need to cover costs for students who cannot afford a Spirit Pack or any trips the team may take.
- X. New Business: BSN Sports is a great company to put spirit packs together for your team, this is per DR Moreland. Just make sure you follow the branding book and make sure he gives his approval before you place your team order.
- XI. It was asked when can pep rallies be done for a particular sport. Dr. Bergmann said this cannot be done during class time. However, they can take place during lunch time. Please talk to Jose who is our ASB advisor and he can help get that taken care of.

Next Athletics Booster meeting will be held on October 14th @ 7pm in the Career Center.
