The following includes information that can be read for every school's Emergency Evacuation Training session.

Attention Passengers: I am _____, your instructor for this safety training. In the interest of your safety, I am presenting the following bus safety information.

Please:

- Remain seated at all times when the bus is moving.
- Do not distract the bus driver while the bus is moving.
- Keep bus steps, aisle and emergency exits clear at all times (this includes book bags).
- Refrain from sticking any part of your body – or any objects - out of the windows.
- Keep voices down to a conversational level, and remain quiet at railroad crossings.
- Emergency exits should only be used in an emergency.
- Be considerate of the comfort and safety of all passengers.

In the event of an emergency please remain calm and if instructed proceed to the closest emergency exit. (There are emergency windows on either side of the bus, two roof hatches on the roof of the bus and an emergency door at the rear of the bus).
