

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

S. A. Moffett Elementary

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at www.cde.ca.gov/ta/ac/sa/. For additional information about the school, parents and community members should contact the school principal or the district office.

I. School Information

Contact Information (2010-11 School Year)

This section provides the school's contact information.

School		District	
School Name	S. A. Moffett Elementary	District Name	Huntington Beach City Elementary
Street	8800 Burlcrest Ave.	Phone Number	(714) 964-8888

Phone Number	(714) 963-8985	Superintendent	Kathy Kessler
Principal	Billie Baker	E-mail Address	Kathy.kessler@hbcasd.k12.ca.us
E-mail Address	billie.baker@hbcasd.k12.ca.us	CDS Code	30665306095111

Principal's Message (2009-10 School Year)

This section provides information about the school, its programs and its goals.

Moffett School is a K-5 school nestled within a quiet, residential neighborhood comprised of single family homes. Located in the southwest section of Huntington Beach, California, Moffett School is a modern facility, built in 1975 and modernized in 2005, yet the culture within its walls is reminiscent of the early country schoolhouse that served as the center of the community. A sense of belonging and pride can be felt throughout the school. Monday mornings find the Moffett community gathered together to honor our country's flag and to celebrate the accomplishments of students, teachers, parents, and staff.

Operating on a traditional schedule, Moffett School serves a population of 538 students. At the time of this writing, 16 students were identified English Language Learners (3%), 12 students received free/reduced lunches (2.2%), 78 students received special education services (14.5%), and 20 students were identified GATE (3.7%).

Moffett School is a Learning Community -- a community where learning is valued and engaged in by all. The Moffett School staff is committed to all students succeeding in a rigorous core curriculum.

A collaboratively developed mission statement clearly defines the purpose of our learning community. We believe our purpose is:

- To provide students a solid foundation in literacy, mathematics, science, and history;
- To help children respect and value themselves and others;

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

- To teach children to access and apply information;
- To teach children to be effective communicators (to read, to write, to speak and to listen well);
- To develop critical thinking and problem-solving skills; and
- To provide a safe, secure and supportive learning environment.

The above statement is the "rudder" that guides our decisions and determines our actions as we work together to provide our children a strong foundation for the future.

Rigorous content standards further define our purpose and clarify student outcomes and expectations. The Moffett School staff believes that reading is the foundation for all learning. It is essential that every student leave third grade reading to learn. Essential standards determine what is taught, and it is expected that all students will meet or exceed these standards. Teachers meet regularly in grade level teams to analyze student performance data and to plan research-based instruction. Three elements define the foundation for results at Moffett School: teamwork; clear, measurable goals; and the ongoing analysis of performance data.

Parental Involvement (2009-10 School Year)

This section provides information about opportunities for parents to become involved with school activities.

Contact Person Name:	Click here to enter text.	Contact Person Phone Number:	Click here to enter text.
-----------------------------	---------------------------	-------------------------------------	---------------------------

Parents and the community are very supportive of the educational programs at Moffett School. The Moffett School Parent Teacher Association(PTA) and the Huntington Beach Education Foundation have made generous contributions of time and money to numerous programs and activities.

PTA fundraisers enable the school to offer programs in art, music, and reading; they also enrich classroom learning experiences through donations that support assemblies, field trips and/or purchase instructional supplies.

The Huntington Beach Education Foundation, a joint business and educational partnership, provides funding for teacher mini-grants, classroom speakers, supplemental materials and supports the Parent Empowerment Academy.

The Moffett School PTA directly supports a variety of instructional programs by providing funding and volunteer hours, including Best Foot Forward, a reading incentive program; vocal music; keyboard instruction for third grade; Art Masters; the annual Science Fair;etc.

Average Class Size and Class Size Distribution (Elementary)

This table displays by grade level the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

Grade Level	2007-08				2008-09				2009-10			
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms

Suspensions & Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

	School			District		
	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10
Suspension Rate	0.0%	0.0%	0.4%	5.0%	2.0%	4.0
Expulsion Rate	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%

School Facility Conditions

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Moffett School, built in 1974, consists of a main building with administrative offices, computer lab, library, indoor court yard/lunch area and 23 classrooms. The site has 3 portable classrooms that were added during the 1990's. The YMCA also has a portable building used for before and after school child care.

Portable building 28 received a new roof. Roof repairs were also made on the main building.

Tile was replaced in 6 classrooms.

Interior and exterior lighting was upgraded with more efficient lighting in all areas. Lighting sensors were installed in all classrooms and restroom buildings.

Facilities are inspected continuously by custodial and maintenance personnel and work orders are submitted as needed.

Planned Improvements (2010-11 School Year)

III. Curriculum and Academics

Quality, Currency, and Availability of Textbooks and Instructional Materials (2010-11 School Year)

This section provides information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Pursuant to the settlement of Williams vs. the State of California, Huntington Beach City School District thoroughly inspected each of its school sites at the start of the 2008-09 school year to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment.

All students, including English Learners, are required to be given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom. Additionally, all textbooks and instructional materials used within the District must be aligned with the California State Content Standards and frameworks, with final approval by the Board of Education.

Textbook and Instructional Materials List

Textbooks and instructional materials used in the district in the core subject areas of English-Language Arts, Mathematics, Science, and History-Social Science.

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The assessments under the STAR program show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven. The CAPA includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA is an alternate assessment that is based on modified achievement standards in ELA for grades three through nine, mathematics for grades three through seven and Algebra I and science in grades five, eight, and ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. On each of these assessments, student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State		
	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10

California Physical Fitness Test Results (School Year 2009-10)

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting the healthy fitness zone on all six fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	8.8%	19.6%	55.9%
7			
9			

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2007	2008	2009
Statewide	9	9	10
Similar Schools	4	3	9

Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays by student group the actual API changes in points added or lost for the past three years.

Group	Actual API Change

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page <http://www.cde.ca.gov/ta/ac/ay/>.

AYP Overall and by Criteria (2009-10 School Year)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

	School	District
Overall	Yes	No
Participation Rate – English-Language Arts	Yes	Yes
Participation Rate – Mathematics	Yes	Yes
Percent Proficient – English-Language Arts	Yes	Yes
Percent Proficient – Mathematics	Yes	No

Graduation Rate	N/A	N/A

Federal Intervention Program (2010-11 School Year)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Core Academic Classes Taught by No Child Left Behind Compliant Teachers (2009-10 School Year)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes in Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers

Low-Poverty Schools in District	Click here to enter text.	Click here to enter text.

Professional Development

This section provides information on how teachers and staff are trained for instructional improvement.

Moffett School is a place of continuous learning for all who work here. Ongoing examination and modification of practice is essential to professional growth. In order to help implement this philosophy, the Board of Trustees approved three staff development days for the 2004-05 school year. The primary purpose of professional development is to directly improve teaching and learning for all children. Topics for staff development included:

- Reading Instructional Strategies
- Research-Based Instructional Practices
- Dynamic Indicators of Basic Literacy Skills (DIBELS)
- 40 Developmental Assets
- Second Step Violence Prevention Curriculum

The improvement process at Moffett School is ongoing. Teachers play the lead role in determining changes in the curriculum. The curriculum steering committee includes seven teachers and the school principal who analyze student achievement data and develop action plans for improvement. Together they compare school programs and policies to the ideal outlined in the State Department documents and formulate the next best steps for improvement. Staff development is designed to support the action plans developed in each curricular area.

School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

A significant portion of Moffett School's categorical program budget is allocated for professional development activities to support improved instruction. The district continuously explores ways to increase extended learning opportunities and improve intervention with at-risk students. Moffett School staff participates in districtwide efforts to revise summer school programs to focus more on diagnostics and reading skills. Teachers new to the profession are supported by peer coaching and are encouraged to attend inservices offered by the West Orange County Consortium for Special Education or education consultants. Teachers are encouraged to attend subject-specific seminars and major conferences and share what they learn with other staff members. The Beginning Teacher Support and Assessment (BTSA) program offers additional support and opportunities to new teachers. The program is designed to assist those new to teaching to expand and deepen their teaching skills, help the school district retain more new teachers, and improve learning opportunities for students.

Huntington Beach City School District regularly collaborates with all levels of district and school site staff when developing professional development activities in alignment with the No Child Left Behind Improving Teacher Quality Expectations. Instructional program improvement is driven by student needs and guided by state standards and frameworks. District and school administrators use site trend analyses, state testing, district-level assessments, teacher response, and administrator observations to identify more effective methods and strategies to achieve positive results for teachers and students.

The Assistant Superintendent of Educational Services and principals meet monthly to analyze current instructional programs, instructional materials, implementation timelines, and student achievement. Feedback is gathered at the site level through direct input and staff observation. Periodic Curriculum Development Committees are formed to address identified areas of need and focus. In the 2004-05 school year, three mandatory staff development days were held during the school year. District-level training activities and professional development revolved around the new language arts textbook adoption and differentiated instructional strategies to meet the needs of all students.

Professional Development Days

This table displays information on the annual number of school days dedicated to staff development for the most recent three-year period.

Indicator	Professional Development Days		
	2007-08	2008-09	2009-10
Annual number of school days dedicated to staff development	3	3	3

Academic Counselors and Other Support Staff (2009-10 School Year)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	N.A.	Click here to enter text.
Counselor (Social /Behavioral or Career Development)	.44	--
Library Media Teacher (Librarian)	N.A.	--
Library Media Services Staff (paraprofessional)	.33	--
Psychologist	.53	--

V. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (2008-09 Fiscal Year)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the Current Expense of Education Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary
School	5,317.32	958.33	4,358.98	72,064
District	--	--	1066.87	\$73,200.00
State	--	--	\$5,681.00	\$68,212.00
Percent Difference – School and District	--	--	75.52 %	1.6%
Percent Difference – School and State	--	--	23.3%	5.4%

Types of Services Funded (2009-10 Fiscal Year)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

A significant portion of Moffett School's categorical program budget is allocated for professional development activities to support improved instruction. The district continuously explores ways to increase extended learning opportunities and improve intervention with at-risk students.

Each year a portion of Moffett's School/Library Improvement Block Grant funds are used to enable staff members to attend teaching seminars and other events designed to enhance their teaching techniques and expand their knowledge base. Teachers who are new to the profession are supported by peer coaching and are encouraged to attend in-services. Teachers who attend conferences, seminars, and other events are encouraged to share what they learn with other staff members.

School Accountability Report Card

Reported for the 2009-10 School Year

The Beginning Teacher Support and Assessment (BTSA) program offers additional support and opportunities to new teachers. The program is designed to assist those new to teaching to expand and deepen their teaching skills, help the school district retain more new teachers, and improve learning opportunities for students.

For experienced teachers, the Peer Assistance and Review Program utilizes the district's veteran teachers as "consultants" to assist with staff development districtwide, with a particular focus on teacher needs.

Gifted and Talented Education(GATE)Program cluster classes are provided for grades 2 through 5 for GATE identified students.

Teacher and Administrative Salaries (2008-09 Fiscal Year)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Range	District	State Average for Districts in the Same Category
Beginning Teacher Salary	\$41,284.00	\$41,988.00
Mid-Range Teacher Salary	\$77,732.00	\$68,649.00
Highest Teacher Salary	\$94,808.00	\$87,156.00
Average Principal Salary (Elementary)	\$116,746.00	\$109,026.00
Average Principal Salary (Middle)	\$116,112.00	\$112,489.00
Average Principal Salary (High)	\$0.00	\$113,872.00
Superintendent Salary	\$215,494.00	\$181,890.00
Percent of Budget for Teacher Salaries	45.4%	42.5%
Percent of Budget for Administrative Salaries	5.7%	5.5%

VI. Data and Access

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
