Mahmut Gedemenli, Board Chair
Rochester Academy Charter School
1757 Latta Rd.
Rochester, NY 14612

Dear Mr. Gedemenli:

Throughout my career in the New York State Senate, I have supported giving children and parents different educational options. Providing parents with alternative educational opportunities encourages them to be more active in their child's education and success.

Rochester Academy Charter School provides a focus on math and science, so that students, across all grade levels, are appropriately prepared for the ever-changing technological economy. The school's focus on providing individual attention, high quality teachers and administrators, parental involvement and multicultural themes are all-important characteristics that will help to prepare and provide students with the resources they need for a successful future and the encouragement to pursue higher education.

Please do not hesitate to contact me if I can ever be of any further assistance to you.

Sincerely,

A handwritten signature in black ink that reads "Joseph E. Robach".
