

Waimea Elementary School ***“Loose Change” Drive***

In the spirit of community partnership and support for families and individuals battling with cancer, we will once again be holding a “loose change” drive to support the American Cancer Society.

The American Cancer Society is fundamental in doing research to find a cure for cancer. They also provide resources and services for cancer patients and their caregivers.

COLLECTION PERIOD IS FROM APRIL 9 – 30.

As a 3-time cancer survivor, “Ms. Tammy” Muranaka is a testament to the important work that the American Cancer Society does and feels strongly about giving back to an organization that has helped her and many other cancer patients. She’s passionate about the fight to find a cure and encourages everyone to participate.

Please join us in this schoolwide effort!

If you have any questions or concerns, please feel free to call the office at 887-7636 and leave a message for Tammy.

Mahalo!!!
