Dear Families,

Please support your children in doing their very best on their SBAC test by:

1. Getting to bed early and getting a good night's sleep
2. Waking with plenty of time in the morning to be on time to school
3. Having a protein-filled, nutritious breakfast
4. Junior Academy students **MUST** have their laptop fully charged and ready.
5. A smile, a hug, and your confidence that they are AWESOME and will be GREAT!

We appreciate all you do to keep these young sharks learning and growing!
