

TORRES ELEMENTARY SCHOOL

STUDENT HANDBOOK

"Every Child, Every Classroom, Every Day"

TORRES ELEMENTARY SCHOOL STUDENT/PARENT HANDBOOK

Welcome to our 9th year at Torres Elementary School!

You are involved in a system where the employees believe in “Every Child, Every Classroom, Every Day”. This handbook & the VISD student handbook were designed so that the students and parents will be aware of the services and policies of Torres School and the Victoria Independent School District. It is recommended that both of these handbooks be kept in a handy place for referral during the school year.

Students and parents are obligated to become familiar with these handbooks so that they can work together with the school to help provide the best possible education for children. The handbooks will tell what is expected of you and what you can expect from the school.

Torres School, like every other school, has established rules for carrying on its activities. Some policies are handed down from the Board of Education, others are formulated by school administration, and some are worked out by the school staff. Whatever the source, all policies result from experience and thoughtful planning with students in mind.

Parents are encouraged to take an active role in the education of their children. Activities that enhance communication with the school include acting as parent volunteer, taking an active role in P.T.O., and serving as homeroom mother/father.

Please feel free to contact the school if you have any questions regarding these handbooks or other school matters.

May this school year be an excellent year for all, through the establishment of an excellent school system, building, and staff; with the support of our parents and community for the single purpose of serving our students!

Sincerely,

Principal
