

Stewarts Creek High School- 9th Grade Course Options

Listed below are the courses that you may choose from in order to meet the graduation requirements. All classes have been selected due to the high school placement test, grades and teacher recommendations. If you wish to override a course, your parent must come in person to meet with your counselor and sign an override form. The course book with a description of courses can be found on the SCHS website: <http://sch.rcschools.net>
