

FAMILY & COMMUNITY FACT SHEET

The U.S. Department of Homeland Security has announced that the agency is accepting DACA renewal applications from certain individuals at this time.

It is extremely important that any individual who needs to file a DACA renewal application and did not do so prior to October 5, 2017 do so IMMEDIATELY, without delay.

DACA Renewal Rules & Explanations

[Understanding Renewals \(English/Spanish\)](#)

- If your DACA expired **on or after** September 5, 2016, you may send USCIS DACA renewal applications. This means you must fill out the latest versions of Form I-821D, Form I-765 Application for Employment Authorization, and Form I-765WS Worksheet.
- If your DACA expired **before** September 5, 2016, you must *re-apply* through an initial application, not renew. Everyone must include the date your DACA expired or will expire on Part 1 of the Form I-821D.
- USCIS will not accept any first-time DACA applications.
- Requests for advance parole from DACA recipients will not be accepted.

KNOW YOUR RIGHTS

Do not answer questions without a lawyer.

If you are undocumented, have a pending immigration case in court, or are being questioned about a person in such a situation, you should give your true and correct name but should not answer any other questions.

Do not open the door unless the officer/agent shows you a warrant.

You do not have to open the door for an immigration agent unless they slip an arrest warrant that has your name or is signed by a judge or magistrate under the door. If you are detained, you will be allowed to make a phone call so memorize a number you can call.

Keep a Red Card with you.

Print [red cards](#) from the [Immigrant Legal Resource Center](#) and use the guidance on them to assert your rights in situations such as if ICE agents go to your home.

Local organizations provide support.

[Centro Legal de la Raza](#) offers multiple immigration clinics and Know Your Rights trainings to the public. Call (510) 437-1554 to check on date of the next session.
