

LUNCH OFFER VERSUS SERVE (OVS) PROPOSED

8508 LUNCH OFFER VERSUS SERVE (OVS) PROPOSED

The Board of Education, to be in compliance with the Healthy Hunger Free Kids Act (HHFKA) of 2010, adopts this Offer Versus Serve (OVS) Policy. Offer Versus Serve is a Policy for Federally reimbursable meals that allows students to decline a certain number of food components in the meal to reduce plate waste and food cost. Board of Education approval to implement a Lunch OVS Policy is required at the high school level and is optional at all other grade levels. The provisions of the Lunch OVS Policy shall be in accordance with the requirements of the HHFKA of 2010.

A school lunch eligible for Federal reimbursement shall offer five food components in the appropriate amounts per grade grouping:

- Fruit;
- Vegetable;
- Milk;
- Grain; and
- Meat/Meat Alternate.

Students are allowed to decline two of the five required food components, but must select at least a half cup of either fruit (or fruit combination) or a half cup of vegetable (or vegetable combination) or half cup of a fruit/vegetable combination.

After selecting the half cup fruit or vegetable requirement, students must select at least two additional full components in the full amounts (per age/grade grouping required amounts) to count toward the reimbursable offer versus serve meal.

The student's decision to accept all five food components or to decline two food components shall not affect the price charged for the meal as the lunch is priced as a unit. If students do not choose enough food items to comprise a reimbursable meal, a la carte prices will be charged.

School staff members cannot make exceptions to the Policy, such as requiring every child to take a particular food component. It is the student's choice to select any three, four, or all five components of the reimbursable meal.

At each school implementing this Lunch OVS Policy, food service staff members will be trained annually on the provisions of the district's Lunch OVS Policy.

UNPAID MEAL CHARGES/OUTSTANDING FOOD SERVICE CHARGES

Division of Child Protection and Permanency as required in N.J.S.A. 9:6-8.10. Such reporting shall not be delayed to accommodate a parent's meeting with the Principal or designee.

If the student's breakfast or lunch bill is in arrears, but the student has the money to purchase breakfast or lunch, the student will be provided breakfast or lunch and the food service program will not use the student's money to repay previously unpaid charges if the student intended to use the money to purchase that day's meal.

The food service program will prevent the overt identification of children through the method of payment used to purchase a meal and whose breakfast or lunch bill is in arrears.

In accordance with the provisions of the United States Department of Agriculture, this Policy shall be provided in writing to all households at the start of each school year and to households transferring to the school or school district during the school year. The school district may post this Policy on the school or school district's website provided there is a method in place to ensure this Policy reaches all households, particularly those households without access to a computer or the Internet.

This Policy shall also be provided to all school and food service staff responsible for the enforcement of this Policy, including school administrators to ensure this Policy is supported.

The food service program will comply with all meal charge policy requirements of the United States and New Jersey Department of Agriculture and N.J.S.A. 18A:33-21.

The Board of Education understands a student may forget to bring breakfast or lunch, as applicable, or money to purchase breakfast or lunch to school on a school day. When this happens, the food service program will provide a student a breakfast or lunch with an expectation payment will be made the next school day or shortly thereafter. However, there may be circumstances when payment is not made and a student's school breakfast/lunch bill is in arrears. The school district will manage a student's breakfast or lunch bill that is in arrears in accordance with the provisions of N.J.S.A. 18A:33-21 and this Policy.

In the event a student's school lunch or breakfast bill is in arrears in excess of \$10.00, the student will continue to receive lunch or breakfast and their account will be charged accordingly. The Principal or designee shall contact the student's parent to provide notice of the amount in arrears and shall provide the parent a period of ten school days to pay the full amount due. If the student's parent does not make full payment to the Principal or designee by the end of the ten school days, the Principal or designee shall again contact the student's parent to provide a second notice that their child's lunch or breakfast bill is in arrears. If payment in full is not made within one week from the date of the second notice, the student will not be served school breakfast or lunch, as applicable, without payment for that day's breakfast or lunch beginning the eighth calendar day from the date of the second notice.

A parent who has received a second notice their child's lunch or breakfast bill is in arrears and who has not made payment in full within one week from the date of the second notice will be requested to meet with the Principal or designee to discuss and resolve the matter.

A parent's refusal to meet or take other steps to resolve the matter may be indicative of more serious issues in the family or household. In these situations, the Principal or designee shall consult with and seek necessary services from both the County Board of Social Services and the Department of Children and Families, Division of Child Protection and Permanency, as appropriate.

When a parent's routine failure to provide breakfast or lunch is reasonably suspected to be indicative of child abuse or neglect, the Principal or designee shall immediately report such suspicion to the Department of Children and Families,
