

## Yearly Average of Tuition Assistance per LLHS Student

Gifts to the **Lakeside Lutheran High School Student Assistance Fund** help over 200 students annually. These families are grateful beyond words for the financial assistance toward their share of tuition cost. Over recent years, we have focused on increasing the amount available for our students. We asked, and you answered! Thank You!

With generous gifts from donors like yourself, your **IMPACT** has allowed Lakeside Lutheran to increase the amount of financial assistance by \$250.00 —per student— over the past three years! As education costs will almost certainly continue to rise, our goal is to try to offset the difference.

A goal of \$1,510 per student for the 2018-19 school year equates to just over \$18,000. ***Will you please continue supporting this ministry through Student Assistance to help us reach this goal?***

You can help keep tuition manageable for families by sending a gift directly to the school, or you can have an amount of your choice sent automatically from your checking or savings account.
