### DT Athletic Associations

(Baseball/Softball, Basketball, Football/Cheer, Hockey, Soccer)

Dennis Township is able to offer first class athletic programs because of the partnership between the associations and the recreation department. The volunteers and staff working together is the reason the entire recreation program is one of the best in the county.

As children age out of the various sports, a lot of parents that comprise the volunteer membership of the associations move on as well. It is important that new volunteers step up to take their place so that we can continue with the level of excellence that so many have worked to achieve. If you would like to become involved please email [kim@dennistwp.org](mailto:kim@dennistwp.org) or attend the next association meeting. All meetings are open to the public and are held at the rec center.
