PARENT OR GUARDIAN CONSENT

I understand that on some occasions coaches will assign athletes to ride with **SELECTED, APPROVED ADULT DRIVERS** to/from athletic events in privately owned vehicles.

Any parent with concerns regarding your child riding with a team parent on the list of drivers, is asked to discuss the concern with their coach prior to the game event requiring parent drivers.

I further understand that my son or daughter will be expected to adhere firmly to all established athletic policies. I have read and agree to adhere to the rules of the Otsego Athletic Handbook located on the [Otsego Public Schools Website www.otsegops.org](http://www.otsegops.org).

No student athlete shall ride to or from a contest with anyone who is not approved by his or her coach. At no time will athletes ride home with student drivers.
