Please complete a separate application for each child for whom admission is requested.

This application is only for admission to the current school year. Acceptance of the student, if made, does not entitle the student to enrollment after that year. Re-application will be required for each subsequent school year.
NOTE: Any student admitted to the Tuscarora School District (TSD) as an open enrollment student is admitted on a semester-by-semester basis, with continued attendance contingent on compliance with all district policies and rules regulating student conduct. A serious incident, or repeated instances, of misconduct may result in revocation of open enrollment status.

You will be notified by the Superintendent's Office, as to the action taken on this application: acceptance, wait-listed, or denied. Determination will be made based upon a school's or program's capacity. Both principals must approve any assignment outside the defined attendance zone of residents.
