

Principal's Corner

Durant-Tuuri Mott's School-Parent-Student Compact

2017-2018

We, the staff, parents and community, guide each in achieving his or her greatest potential by providing a diversity of experiences, which integrates excellence in education with the child's individual abilities and unique talents.

We share responsibility, in a safe and secure environment, for student acquisition of academic, creative, emotional, physical, and social skills necessary for entering society as contributing members. We strive to enhance each child's experience at DTM by continually assessing and evaluating our attainment of these goals as measures by descriptive outcomes!

Mrs. Shelly Umphrey

DTM Principal (K-7)
