

Welcome to

The Fillmore Unified School District's

ParentConnection

Zangle's ParentConnection is a web application that provides parents with direct access to student data via the Internet. Using a confidential PIN (Personal Identification Number) and password, parents can connect to the school district's student database and view their child's progress reports, attendance records, report cards, transcripts, and more. ParentConnection allows a parent to view, in one session, details on each of their children who are currently enrolled in a FUSD school.

To log onto ParentConnection

From a computer with Internet access, open the web browser and follow the instructions below.

REGARDING "POP-UP" ADS AND AOL/Safari:

***POP-UP ADS** must not be blocked from the ParentConnection website.
***AOL/Safari Users** must open Internet Explorer in a separate window.
ParentConnection WILL NOT open while using these browsers.
