West Collierville Middle School Step Team

2018 - 2019

We would like to thank you for your interest in the West Collierville Middle School Step Team! We are so excited to offer this opportunity to both male and female students who will be in grades 6th- 8th during the 2018 - 2019 school year. We are looking for hardworking students with positive attitudes. The goal of our step team is to allow students to perform their talents, ignite school spirit, and learn to be productive members of a team.

Here are a few things we would like for you to know before tryouts.

1. This is a **competitive team**. It will take a lot of hard work and dedication for this team to be successful. This will be a commitment for team members and parents.
2. Our season is divided into two parts and goes from August – April. During the first part of the season, we will be performing at different events. During the second part of the season, we will be competing.
3. The fee for team members is **\$650.00**. This fee will cover the cost of a jacket or jogging suit, shoes, t-shirts, practice outfits, performance outfit, competition fees, coach's fee, competition outfit, travel expenses, etc. **The fee does not have to be paid all at once.** You will receive a payment schedule for the year.
4. We will practice at least two days per week. Our practices are **usually** on Wednesdays right after school and Saturday Mornings.
5. **All practices are mandatory.** A parent must contact a sponsor if a child is unable to attend practice.
6. We will complete two community service projects during the school year.
7. We will perform at pep rallies, games, and other special events. We will also compete in at least 2 competitions.
8. We will be doing some fundraising to help with some of the costs.
9. We will need parent volunteers to serve on committees to help ensure a successful season.
10. There is a **\$15.00** tryout fee.
