“I’m so happy! Because of you, I have a chance to make something out of myself and I don’t think I can appreciate it more. Now I can take what you have given me and chase my dreams. I will never forget what you and the program did for me and I will always appreciate you for that. Not only were you all my instructors, but you all became some of my closest friends. Through it all, you never gave up on me. Thank you from the bottom of my heart.” Roman Rodriguez
