

# AoOL Ski Club

## What will we do?

The Ski club will get the chance to go to mountains and ski with friends, which can be difficult to do throughout the winter. **Snowboarders can join too!!**

## Who will moderate?

Theresa Roberts, my mom, will be the moderator but she will need help from other skiing parents.

## What mountains will the club go to?

We will aim to go to Belleayre in New York or Jack Frost Mountain in Pennsylvania.

## How many times will the club go to the mountain?

This year we are going about three times because the club is still new, but next year we hope to go skiing at least four times.

## Who can join?

All skiers and snowboarders are welcomed to join. Carpooling will be available for grades 5th through 8th. 4th grade and below should have parent supervision.

- Before each trip, an email will go out with details such as the forecast for the trip and where and when we will meet.
- The lift tickets will cost about \$45- \$50 per skier.

*If you have an interest in joining, questions, comments, or concerns please contact Casey Roberts at [caseyroberts815@gmail.com](mailto:caseyroberts815@gmail.com) or Peyton Aninos at [peyway68@gmail.com](mailto:peyway68@gmail.com)*
