

Parent Portal-Linden High School

Information regarding Parent Portal

- Over 200 Parents are currently using Parent Portal
- Teachers are asked to update weekly-2 weeks maximum time from assignments/test completion until posting on the Portal.
- Attendance is in real time, including absences and tardies.
- Increased communication between parents and teachers, decreased parent contacts with administration.
- Teachers are pre-posting assignments, this makes parents aware of deadlines prior to the actual due date.

Below are actual emails from parent

- "I love the Parent Portal. The process was smooth, easy, and user friendly. Great choice of software."
- "Everything is there from school histories.....even CST scores back to the 5th grade."
- "Thank you to you and LHS for creating such a great resource for parents."
- "I just signed on the Parent Portal. A few thoughts came to mind.....wonderful, awesome, very nice and job well done!"

Areas of concentrated effort

- Signing up more parents /greater number of participants
- Student access to the Portal
- November 29th, presentation to Spanish speaking parents. Mrs. Sapon will be teaching parents how to use the Portal. The presentation will be held in the computer lab of the Molini Library.
