School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Mitchell Intermediate is a comprehensive, departmentalized junior high school serving approximately 925 students. Mitchell Intermediate is located in the central valley and serves a diverse student population. There are approximately 38 full time teachers, one part-time band teacher, and 21 support staff that are committed to the success of every student that attends our school. Mitchell Senior is proud of our continued academic success. We provide a well rounded educational program that includes rigorous core subject areas, elective and support classes, as well as many extra curricular activities. Mitchell Intermediate strives to provide a safe and productive learning environment through displaying Mitchell Senior PRIDE (Productive Responsible Individuals Dedicated to Excellence), students deep connection to school, development of college and career readiness, and fostering a school community built on respect and kindness. We know that Mitchell Senior is the "KEY to your Success!"

Mitchell Senior's Mission Statement:

To develop productive, successful, individual students that have a positive impact on our community, by providing them with a high quality education through rigorous academic standards.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Providing a safe, clean, attractive environment for our students is a high priority at Mitchell Intermediate School. The efforts of the custodial staff, maintenance staff, and the gardening staff keep the buildings and school grounds in excellent condition. Several upgrades have been made to Mitchell Intermediate to include replacing sewer lines, replacing old AC units on many classroom wings, roofing repairs, new carpet in some classrooms, and upgraded concrete walk ways. In addition other possible areas that have been identified for modernization include upgrading student bathrooms, covered outdoor eating areas, new flooring in classrooms and office, painting of classrooms and outside of school, roofing repairs, new AC units, upgrade locker rooms, and removal of old planters.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students
Grades Three through Eight and Grade Eleven**

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	44	52	44	48	48	48
Mathematics (grades 3-8 and 11)	28	31	31	33	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	869	862	99.19	52.26
Male	437	434	99.31	44.8
Female	432	428	99.07	59.81
Black or African American	30	30	100	53.33
Asian	41	41	100	58.54
Hispanic or Latino	568	562	98.94	47.33

Two or More Races	14	14	100	78.57
Socioeconomically Disadvantaged	691	686	99.28	46.06
English Learners	285	281	98.6	28.47
Students with Disabilities	91	90	98.9	10

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	870	864	99.31	31.13

English Learners	285	284	99.65	14.44
Students with Disabilities	91	90	98.9	4.44

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	58	50	54	50	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
7	21.6	25.9	31.9

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parents are able to participate in school activities through the School Site Council, English Language Advisory Committee, Parent Club, 2nd Cup of Coffee with the Principal, volunteering, chaperoning trips and/or dances, and coaching. Parents are encouraged to attend events such as Round-Up, Back-to-School Night, Report Card Night, 8th Grade Graduation Information Night, 8th Grade Awards Night, Incoming 7th Grade Parent Information Night, 8th grade Graduation Ceremony, Title 1 Presentation, AVID Family Nights, ASES Family Nights, and AVID College and Career Night.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17

School Safety Plan (School Year 2017-18)

Mitchell Intermediate's comprehensive Safety Plan details the responsibilities and protocol for a variety of emergency situations. Mitchell Intermediate staff members are trained to react in the appropriate manner for each type of emergency and practice them on a routine basis. Procedures are in place to ensure a safe and orderly campus at Mitchell Intermediate, including required visitor check-in, closed and monitored gates, a security camera system, a school wide PA system, and campus supervisors patrolling the grounds.

Safety Plan was reviewed in October of 2017 and approved by the board on November 14, 2017.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Types of Services Funded (Fiscal Year 2016-17)

Atwater Elementary School District receives a variety of State and Federal funds that are designed to further support the needs of our students. Funds are allocated on a yearly basis based on student population and needs at each individual site. Listed below are the types of funds AESD receives.

Federal Programs:

Title I, Part A

Title III, LEP

State Programs:

After School Education and Safety (ASES)

General and Categorical funding are strategically used to increase student learning results. Categorical funds are used to support goals and action plans in the Single Plan for Student Achievement.

Expenses include, but are not limited to, staff professional development, supplemental instructional materials, technology, and extended day learning opportunities for students.

Professional Development (Most Recent Three Years)

Teachers participate in two grade level collaboration trainings each year. They are also released by substitute teachers to receive additional training during the school year for academic conferencing. After school and summer optional trainings are also offered. During the last four school years, teachers have been provided on-going professional development in the areas of Strategic Schooling Strategies, Effective Instruction for English Learners, Technology, and Writing. New professional development sessions for teachers this year focused on additional training in the new ELA adoption, Depth of Knowledge and training regarding CAASPP scoring. The district has four instructional coaches to help all teachers in the following areas, ELA, ELD, Math and Assessments, and Technology. School sites participate in site specific professional development, based on their data, during weekly Professional Collaboration (PC) meetings. All schools participate in grade level academic conferencing pull out days for teachers to discuss student progress, data, and future instruction based upon the data gathered. In total, each grade level has a minimum 2 full pull out days a year. In addition, new teachers to the district receive another layer of support with the Induction Program. This includes two days of trainings, after-school trainings, visiting other classrooms in the district with their induction mentor.
