

**MR. DAVIS
PRESENTS:
CAR CARE
WORKSHOP!
GET CAR SAVVY
AND STAY READY!**

**FEBRUARY 28
DURING BOTH
LUNCHES**

*Here are just some of the things that
you'll learn:*

- *Changing a flat tire*
- *Essentials under the hood*
- *Maintaining fluids*
- *Finding a great mechanic and repair shop*
- *Safety tips*
- *Using jumper cables and much more!*

At this workshop you will see demonstrations including routine checking and monitoring engine oil, coolant and brake fluid levels; using a simple, gauge to check tire air pressure; and visual inspection of the condition of tires, lights, brakes, wiper blades and jump starting your vehicle.

**MEET OUTSIDE IN
FRONT OF THE
MAIN ENTRANCE
ON FEB. 28.**
