Board of Trustees Minutes

May 9, 2017

Meeting called to order: 8:17 pm

Members in Attendance: Dave Crandall, Troy Walker, Greg Hughes, Holly Sonntag & Steve Fairbanks

Public Comment:

Mrs. Mast concerned about the SAHS drill team changes.

Mrs. Lundt concerned about Coach Allred's personnel review. Shared accomplishment of blending cheer and drill teams this year. She doesn't understand why the communication is lacking and parents aren't being heard on this issue. Parents drove the drill team to Region.

Mrs. Timm stated she joined the charter school so she can have more of a say as a parent. Worried about the administration at the high school. Parents want to be more involved to make SAHS great.

Jessica, a student-athlete on the drill team, expressed her concern about drill coach changes.

Troy Walker and Greg Hughes discussed the process of taking public feedback at our board meeting. We are growing and improving as a high school.
