May, 2018

Dear Parent/Guardian:

It is that time of year to start making your summer plans. We hope that you will consider one of our District 124 Summer Enrichment offerings when making your plans.

Attached to this letter you will find descriptions of the classes that are being offered by our District 124 staff. Registrations for these classes should be dropped off at your child's school. After June 1st, registrations should be dropped off at or mailed to our District Office at 2929 W. 87th Street. Questions regarding these classes can be directed to the Curriculum Office at 708-423-0950 ext. 2120.

We realize that summer can be busy with vacations, day trips or just relaxing by a pool but we hope that you consider taking advantage of one or more of these fun and engaging classes for your child(ren). What a great way to explore interesting topics and have some fun!

Please register as soon as possible. Any classes not meeting the minimum students will be canceled.

Thank you,

Kathleen Prado

2018 Summer Enrichment Classes**

Art Enrichment

Class Description: In the Summer Art Enrichment class, students will gain an extended experience on exploring the Elements of Arts through a variety of art materials. The Elements of Art include line, shape, color, texture, form, value and space. In the summer class, students will have an opportunity to experiment with different types of art materials and have a more free range on the subject matter as long as the imagery and ideas are school appropriate. In addition, students will be working on some projects that can be used to beautify the school district.
