

**School Safety and Security  
Firearms: Personnel Authorized to Carry**

Ammunition requirements for UCSD #1:

All ammunition for concealed carry firearms while on District property will be inspected and approved by local law enforcement.

Ammunition will be up-to-date from a current manufacture which includes, but is not limited to the following manufacturers: Cor-Bon, Federal, Remington, Hornady, Speer or Winchester. Ammunition approved for carry on District property will not exceed FBI standards for penetration. A list of ammunition that meets or exceeds the FBI standards will be available from local law enforcement.
