January 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for the Swartz Creek Community School District. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Jeff Hall, Superintendent for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site <https://goo.gl/Pn2CVC> or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

**Student Assessment Data** – Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT. Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

### **Accountability Scorecard – Detail Data and Status**

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability scorecard status.

### **Teacher Qualification Data**

Identifies teacher qualifications at district and school levels

Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

### **NAEP Data (National Assessment of Educational Progress)**

Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Review the table below listing our schools. For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom

Swartz Creek Community Schools’ mission serves as a guidepost for school improvement. As student achievement is our highest priority, there is much to celebrate!

In the area of student assessment:

- All Michigan public schools in grades 3 through 9 are required to take the Michigan Student Test of Educational Progress (M-STEP)
- 11th grade student are required to take the Michigan Merit Exam (MME).

The state of Michigan uses the scores from these tests to calculate a building and district Scorecard to measure year-to-year student achievement on the M-STEP and the MME. Swartz Creek Community Schools is pleased to announce significant gains in state assessment results. Congratulations to our students and staff for their continued efforts. Gaines Elementary was award a National Blue Ribbon for exemplary schools. Dieck Elementary had the highest science score in Genesee County.

When looking at the Michigan Department of Education Scorecard, it’s important to note that our district uses several other measures throughout the year to ensure that students are making academic progress. We maintain high standards for our schools, and continue to strive for maximizing student achievement.

We will be reviewing our curriculum and instructional practices to insure student success. In addition, our staff professional development will enhance our pedagogy to optimize student achievement.
