EDUCATION FOR ENGLISH LANGUAGE LEARNERS

The Governing Board intends to provide English language learners with challenging curriculum and instruction that develop proficiency in English as rapidly and effectively as possible in order to assist students in accessing the full educational program and achieving the district's academic standards. The district's program shall be based on sound instructional theory and shall be adequately supported so that English language learners can achieve results at the same academic level as their English-proficient peers in the regular course of study.

The Board encourages staff to exchange information with staff in other districts and the county office of education about programs, options and strategies for English language learners that succeed under various demographic conditions.

(cf. 4112.22 - Staff Teaching Students of Limited English Proficiency)

The Superintendent or designee shall maintain procedures which provide for the identification, assessment and placement of English language learners and for their redesignation based on criteria adopted by the Board and specified in administrative regulations.

To evaluate program effectiveness, the Superintendent or designee shall regularly examine program results, including reports of the English language learners' academic achievement, their progress towards proficiency in English and the progress of students who have been redesignated as fluent English proficient. The Superintendent or designee shall annually report these findings to the Board and shall also provide the Board with regular reports from any district or schoolwide English learner advisory committees.

(cf. 6190 - Evaluation of the Instructional Program)

Type of Instruction

Students who are English language learners shall be educated through "sheltered English immersion" or "structured English immersion" during a temporary transition period not normally intended to exceed one year. "Nearly all" of the classroom instruction in the district's sheltered English immersion program shall be in English, but with the curriculum and presentation designed for students who are learning the language. (Education Code 305, 306)

The district has defined the term "nearly all" as follows:

Classroom instruction will be conducted in English except for clarification, explanation and support as needed.

When an English language learner has acquired a reasonable level of English proficiency as measured by any of the state-designated assessments approved by the California Department of Education or any locally developed assessments and using other criteria developed by the district, he/she shall be

BP 6174

transferred from a structured English immersion classroom to an English language mainstream classroom in which the instruction is "overwhelmingly" in English. (Education Code 305; 5 CCR 11301)

An English language learner has acquired a "reasonable level of English proficiency" when he/she has achieved the following:

- *A score of at least "Basic" on the California Standards Test.*
- *A minimum overall score of at least "Early Advanced" on the California English Language Development Test.*
- *A score that is equivalent to the average score of their English-proficient peers on local assessments.*

(cf. 6011 - Academic Standards)

(cf. 6162.5 - Student Assessment)

(cf. 6171 - Title I Programs)

Upon the request of his/her parent/guardian, a student shall be placed in an English language mainstream classroom. (5 CCR 11301)

Parental Exception Waivers

At any time during the school year, the parent/guardian of an English language learner may have his/her child moved into an English language mainstream program.

Parent/guardian requests for waivers from Education Code 305 regarding placement in a sheltered English immersion program shall be granted in accordance with law and administrative regulation.

If the Superintendent or designee denies the waiver request, he/she shall provide a written justification to the parent/guardian describing the reasons for the denial. A parent/guardian may appeal the Superintendent's decision in writing to the Board. The Board may consider the matter at its next regular Board meeting. The Board may decide not to hear the appeal, in which case the Superintendent's decision shall be final. If the Board hears the appeal, the Superintendent shall send the Board's decision to the parent/guardian within seven working days.
