<p>Goal 1: All students will exhibit growth on the reading and math Istation assessments.</p>	<p>Actions and Timeline:</p> <p>1. Students will complete the Istation assessment each month. Data will be reported to the state department quarterly. (September 2018, January 2019, April 2019)</p> <p>2. Teachers will meet once a month during PLC meetings to disaggregate data, review students by tier, track student movement, and target specific frameworks with specific interventions. (September 2018 – April 2019)</p>
<p>Goal 2: All students will exhibit the knowledge of how to make healthy lifestyle choices by implementing systems to aid in decreasing the average BMI on routine annual student screening and increasing collaboration between all segments of the school community in support of positive lifestyle choices.</p>	<p>Actions and Timeline:</p> <p>1. The LEA will coordinate with child nutrition personnel to ensure menus are reviewed quarterly by the district wellness committee. (August 2018, December 2018, February 2019, April 2019, June 2019)</p> <p>2. The LEA will ensure that the district policy is in compliance with state and federal mandates on a quarterly schedule. (August 2018, December 2018, February 2019, April 2019, June 2019)</p>
<p>District Support Needed:</p> <p>Goal 1: Updated technology, appropriate devices, and IT support during Istation assessments.</p> <p>Goal 2: Reasonable funding for Primary School Parent Physical Activity Night, time for wellness committee to meet, and communicated nutrition updates from district child wellness personnel.</p>
