

Parents and Students,

The first semester of the school year has ended.

Starting with our upcoming 6-week reports of this spring semester, 6- and 12-week progress reports will now be available ONLY on Parent Portal. We will no longer mail home a paper progress report at the six and twelve week intervals. (Semester grades on paper will still be mailed home.)

In order to view these progress reports, please make sure you have set up a Parent Portal account.

An important element of setting up an account is your child's verification code. If you need assistance obtaining a code or creating an account, please contact Dr. Brian Mason at [bmason@wvusd.k12.ca.us](mailto:bmason@wvusd.k12.ca.us).

Once your Parent Portal account has been created, use the steps below to view your child's progress reports online:

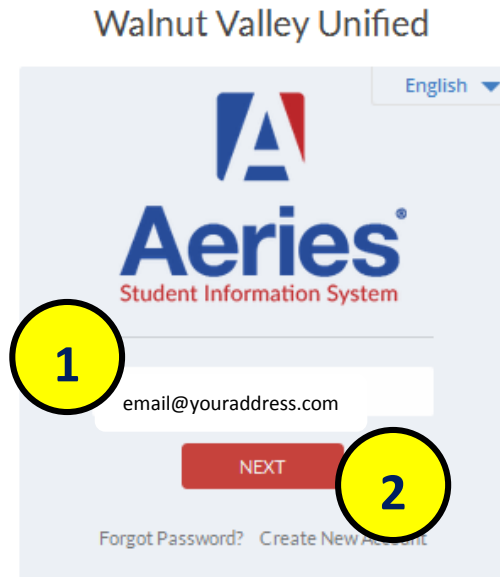

- Go to [www.walnuths.net](http://www.walnuths.net)
- Click the **PARENTS** drop down menu
- Click **PARENT PORTAL**

- **CLICK** the '**CLICK HERE**' PARENT PORTAL LINK.

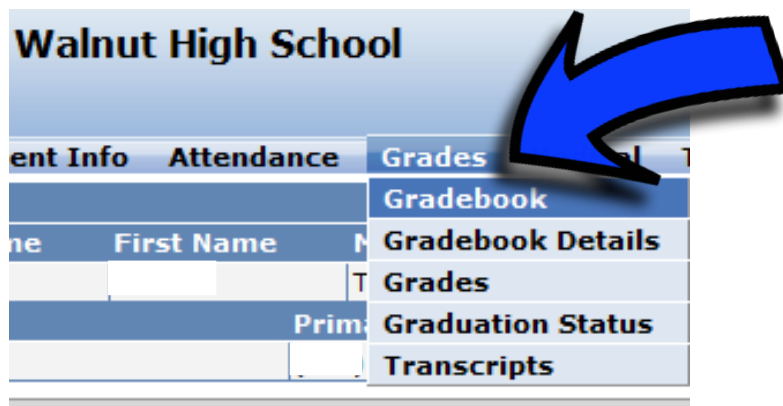

- **ENTER YOUR EMAIL** and click **NEXT**

- **ENTER YOUR PASSWORD** and click **SIGN IN**

- Use the **GRADES** menu to view progress reports, grades, and grade details.

- If you need assistance, please feel welcome to contact our Technology Center at (909) 594-1333 x 43637 or email [bmason@wvusd.k12.ca.us](mailto:bmason@wvusd.k12.ca.us) – thank you!
