

Berwyn South School District 100
Senior Citizens and Community Involvement Opportunities

There are so many benefits of children having positive relationships with older adults. The connection with children gives adults a sense of purpose by making a difference in a child's life and feelings of youthful joy. The time together gives children a sense of stability, insightful advice and attention. Together the children and older adults bring smiles and hope to each other.

We invite you to choose and volunteer to join us for any of the following programs:

Guest Readers Needed!

Our elementary students love to have mystery readers come to their classrooms. You could come one time or every week to help our students improve their literacy skills. Reading is fun!

Please contact the principal at the school in which you would like to read to pick the best day and time for you.

Pen Pal Program

Pershing School is pairing up Senior Citizens and students to be pen pals and write notes to each other. Lunch and other fun events are planned. Contact Principal Diona Iacobazzi diacobazzi@bsd100.org or at 708-303-4605

Adult - Buddy Program

Adults meet weekly with their student "buddy" at Heritage Middle School. The pairs play games and interact to mentor and develop a positive relationship. Monthly fun activities are planned for the group of Adults and Buddies.
