Special Safety Edition!

On 2/26/18, your School Site Council representatives met to discuss ways in which we can improve upon safety at Lietz. We talked about the importance of striking a balance between creating a welcoming, inviting environment, but also paying close attention to security measures. Beginning next week, the gate closest to the Champions buildings will remain locked until dismissal at 2:40. If you are picking up a kinder during their dismissal time, it is best to walk to the kinder gate for pick up.

When you are entering through the front of campus, it is important that you sign in/sign out. This will allow for us to know who is on campus in the event of an emergency. Even if you are just stopping by for a short period of time, please check-in at the office.

During instructional hours, we ask that you please keep your little ones off of the play structures. Often, teachers want to utilize this space for P.E. with their students. We want to ensure that everyone remains safe. Thank you for your cooperation.

Drill Update

Lietz participated in a lockdown drill on February 15. Officer Timothy Hardin and Gil Smith (ICS for Schools) provided support and feedback during this time. Teachers and students put forth great effort to ensure that all requirements were met. If you would like to discuss the drill in more detail or have any questions or concerns, please do email me or stop by.

Wizard of Oz is Coming!

Thank you to Nancy Grochowski, Sue Malloy, Mary Caddell and all others involved in supporting our upcoming theatrical sensation. Endless amounts of hours have been spent by students and adults to put on magical performances. I hope you are as excited as I am! Please visit <https://chowchowski.wixsite.com/wizardofoz> for more information.

Please Welcome Andrew Nunes

I am pleased to announce that Andrew Nunes has joined the Lietz team as our new night custodian. Many of you may recognize him when you are on campus in the afternoons. His mother, Diane Nunes, was secretary here at Lietz from 2000-2017. Andrew was a student here from 2004-2010. He then spent 2010-2013 at DMS. He graduated from Leigh High School in 2017. Andrew is planning on taking Maintenance and Facility Management classes in the future. Please say hello when you see him!
