

Purchasing school supplies is **OPTIONAL**, these are not required supplies.

## 2018 - 2019: School Supply List

Below you will find a suggested list of items that your student might use in each grade level. The school provides the majority of these supplies, for example, pencils, paper and crayons. These lists are no way a mandatory shopping list, just suggestions of items. For example, binders and spiral notebooks would help with organization, but are not mandatory. All items on the list could also be donated to your classroom.

*Please understand that the school will supply all students with the supplies necessary for successful completion of school work.*
