Step 2:

On this screen, Click “Forgot My Password”

The next screen will ask you the answers to the questions you set when claiming your account. Once you have successfully answered the questions correctly, you will be prompted to reset your password.

Once you have reset your password, completely close your browsers and go to my.ncedcloud.org and log in using your UID number as your username and the new password you just created.

Make sure you follow the password criteria exactly when resetting your password or it will give you an error that it doesn't meet the criteria.
