

## Our Favorite Playdough Recipe

1 cup flour  
1/2 cup salt  
1 cup water  
1 Tablespoon oil  
2 teaspoons Cream of Tartar  
Food Coloring

Mix all the ingredients together until smooth. Cook in a skillet over medium heat (we use a non-stick electric skillet) until it forms a ball and sticks together. Remove from skillet and let cool briefly. When it is cool enough to touch, but still warm, knead it for several minutes to increase smoothness. Give your child a big piece of warm play dough to knead and roll...warm fresh playdough feels so good on the fingers!

Keep in a plastic zip-lock bag or covered container.
