

December 19, 2011

Dear Neighbor:

As you are aware, the Measure BB building project is underway at Mira Costa High School. This long-awaited project will provide new and updated facilities for current and future of students at MCHS, continuing our tradition of educational excellence for generations to come.

The first phase of the project involves construction of a new math and science building. This state-of-the-art facility is being built on a former student parking lot, situated near the southeast corner of the MCHS campus off Peck Avenue. Scheduled for completion by September 2013, this project involves many stages. We want to keep you updated and informed about all of them as the work proceeds, particularly those that may temporarily disrupt the neighborhood surrounding MCHS.

In that regard, to provide everyone with the most current information and access for communication, we offer the following:

1. **E-Mail**
To contact us regarding the Measure BB project, we've created a special email address that we'll be checking regularly. The address is measurebb@mbusd.org. Please contact us via this email address if you have any questions about the project.
2. **MBUSD Web Page**
On the home screen of our MBUSD web page (www.mbusd.org) you will find a special link to the "Mira Costa Construction Project." Follow the link and you will find current information about the project, including a "three-week look ahead" which graphically shows all of the work being (weather permitting) over the coming weeks. We keep this web page updated weekly, so check back often for new information about the project.
3. **Twitter**
Regular updates about MBUSD happenings, including the Measure BB Building Project, are provided through Twitter at www.twitter.com/mbusdnews.

We will do everything possible to minimize inconvenience and disruption to you and all of our neighbors. Thank you in advance for your support, patience and understanding as we work toward completion of this project. On behalf of our Board of Trustees and the entire MBUSD community, I wish you and your family all the best in this holiday season and in the new year.

Sincerely,

Rick Bagley
Deputy Superintendent, Administrative Services
Manhattan Beach Unified School District
