STUDENT INJURIES AND PERSONAL PROPERTY DAMAGE & LOSS

Dear Parent:

Troy Public Schools **does not** provide insurance for student injuries or damage/loss to personal property. State statute provides Troy Public Schools with immunity to tort liability. Your homeowner's policy may cover property that is damaged or lost from the school premises; e.g., automobiles, bicycles, band instruments, calculators, etc.

The Board of Education, as a public service, has arranged to make Student Accident Insurance Coverage available to all students. The benefit options have been designed to respond to diverse family insurance needs. This coverage can help decrease the burden of unexpected medical expenses, including those left unpaid due to family insurance deductibles and co-payments.

For your convenience, insurance applications and brochures are available in the school office. In addition, you can find the application and brochure at the following website: www.sas-mn.com (under K12 students/parents, then search for Troy School District). If you wish to enroll in this insurance plan, you have the option to enroll online (2018-2019 Purchase Online option) at the above website, or you can complete the application and return it directly to Student Assurance Services. Coverage will become effective at 12:01 a.m. following the date the envelope form and premium is postmarked by the U.S. Post Office. **Detach and retain the summary of coverage for your records.**

All questions regarding the coverage should be directed to Sonny Heinrich, agent, at the toll free number of 1-800-328-2739.

Sincerely,

A handwritten signature in black ink that reads "Rick West". The signature is written in a cursive style with a large, stylized "R" and "W".
