

# Pirate Pride Honor Code FAQ

## **1. Do students have to comply with standardized dress code policy after school hours?**

**Answer:** No.

*However, when students are participating in a school event they may be required to dress in uniforms or professional dress depending on the school activity or event. Coaches and sponsors will communicate specific details.*

## **2. What exactly does jurisdiction for weekends, holidays, and summer vacation entail?**

**Answer:** *For students participating in extracurricular activities, appropriate student conduct that represents CHS is expected at all times. Dress code standards do not apply during weekends, holidays, and summer vacation unless students are involved in a school sponsored or school related activity or event. Students must be in compliance with dress code standards when returning for summer camps, football practices, etc. during the holiday/summer months or to begin the school year.*
