## Honorary Chair

I am in my 32nd year as an educator at Catholic of Pointe Coupee. My heart is planted in this soil where many have walked and experienced an education rooted in our Catholic faith. As I walk through the halls and around our campus I feel the support of past and present educators, priests, and our families. We have been a part of this community since 1904. We enlighten the minds, hearts, bodies, and spirits of our students, our family. We don't take this lightly. It is an ongoing task that we continue to evaluate and improve upon with the help of our supporters. May the tradition of Catholic of Pointe Coupee continue to encourage and foster students to be the best version of who God intended them to be. It's our future. It's what we value that makes a difference.

## Testimonials

Having spent the past 12 years of my life attending Catholic, I consider the teachers and students that I have shared my journey with as my family. Now, more than ever, I appreciate the fact that I was able to receive such a well-rounded education while making countless memories that I will carry with me for the rest of my life. I'll always take pride in being a Hornet.

The positive and Christian environment at CHSPC has played a vital role in my life. The constant reminder that God is real and present in our everyday lives keeps me focused on what is important. It also helps me not to conform to the things of the world but to strive to be more Christ-like.

Assistant Principal

Catholic is more than just an institution, it's a home, a family, a tradition, a lifestyle. Over my time at Catholic I learned many skills and life lessons both on the field and in the classroom. My teachers and coaches have given me a blue print on how I want to mold myself in my professional and personal life. I wouldn't be where I am today without Catholic of Pointe Coupee.

The reason I love being at Catholic of Pointe Coupee is due to the fact that this school is based on my faith. It helps me to grow in my beliefs and surrounds me in a positive environment filled with happy people.
